

## #TOGETHER4GE

WE'RE ALL IN THIS TOGETHER

Eastern Community Legal Centre

Healesville Women4Women

The best neighbours are the ones that double as your partners in GE action! The Healesville Women 4 Women (HW4W) project delivered an International Women's Day event in 2018, to connect and empower women living and working in Healesville. Isolation, stigma and a lack of awareness of family violence services can affect victim/survivor's support seeking behaviours. This event engaged over 100 women and delivered gender equality messaging and community building activities, uniting women through shared personal experiences and visions for the future, including equal representation in local leadership. To leverage the momentum built at this event, a leadership team steered by local women has undertaken the coordination of further engagement opportunities. The next event is planned for 24 February 2019.

The HW4W project came out of the local Change the Story network and is a partnership of local organisations and community volunteers lead by Eastern Community Legal Centre. The partner organisations include Yarra Ranges Council, HICSA, Eastern Health, HICCI, EACH, Uniting Vic Tas, Healesville Living & Learning Centre, Anchor, Healesville Uniting Church, Healesville Fitness Centre and Carrington Health.

Want to get involved? Email [healesvilleW4W@gmail.com](mailto:healesvilleW4W@gmail.com) or find them on Facebook for more information.

## #16DAYS
