

## **#TOGETHER4GE**

### **WE'RE ALL IN THIS TOGETHER**

#### **Inspiro and EDVOS**

#### **Ambassadors for Gender Equality & Respect**

'Ambassadors for Gender Equality & Respect' is a project led by Inspiro and EDVOS in partnership with, Yarra Ranges Council, Women's Health East, Cire Services, Eastern Health, Cire Community School, Upper Yarra Secondary College and Little Yarra Steiner School.

The project is focused on engaging young people as local change makers within their school community.

Twenty student ambassadors were supported to plan and deliver their own gender equity projects.

These students also co-designed a 'student voice' toolkit to support their peers to become Ambassadors for Gender Equality and Respect. 'Take Action for Gender Equality and Respect: A Student Guide' will soon be made available.
