

## **#TOGETHER4GE**

### **WE'RE ALL IN THIS TOGETHER**

**Manningham City Council  
Powerful Stories**

This year we are celebrating women through a series of video which honours women in our community with powerful stories to tell. Five pairs of women were invited to share their stories; reflecting upon their journeys, achievements and hopes for the future.

This series will be released throughout the year in four parts. The 4th film is being released during the 16 Days of Activism and will feature a woman who has a background of family violence.
