COVID-19 Vaccination & booster shots

Information sessions

Do you want to know:

- More about COVID-19 vaccines?
- When you or your family members will be eligible for a vaccine or booster shot?
- How to book your vaccine or booster shot?
- How to prepare for the vaccines and what you need to do after receiving them?

Women's Health East can provide free online or face-to-face information sessions about COVID-19 vaccines in Mandarin or Hakha-Chin.

Delivered by trained bilingual health educators, the sessions will cover the most up-to-date information available about COVID-19 vaccinations and booster shots, and other related topics.

We can also deliver in-language information sessions on:

Women's safety
and wellbeing

Sexual and
reproductive
health

Mental health
and wellbeing

Making healthy
choices

For more information contact Isabella Roxburgh, Health Promotion Officer at iroxburgh@whe.org.au.

Women's Health East is the women's health promotion agency for the Eastern Metropolitan Region of Melbourne. We improve health outcomes for women across the seven local government areas of Yarra Ranges, Knox, Maroondah, Manningham, Monash, Whitehorse and Boroondara. Women's Health East also influences women's health and wellbeing at a statewide and national level. For more information visit our website: www.whe.org.au

These sessions have been made possible through the WOMHEN's Project, a state-wide partnership with Victoria's Women's Health Services and lead by the Multicultural Centre for Women's Health. Funded by the Department of Families, Fairness and Housing.
